

# 70 weeks

The image displays a collection of educational posters for mental mathematics, organized by grade level (3, 4, and 5) and duration (10 weeks). Each poster is branded with the 'Slambo Resources' logo and includes a preview of the weekly math problems. The posters are arranged in a grid-like fashion, with three posters for each grade level. The bottom right corner features a large, diagonal banner indicating the target audience: 'Grade 3-5'.
